Park Storky

DALLAS TOWNSHIP HIGH SCHOOL

1962-1963

"OUR ALMA MATER"

MR. NORMAN D. COZAD
Principal and Counselor

It was with a deep sense of humility and pleasure that I accepted the invitation to inscribe a thought in this annual. I feel that a school which has participants attending it who are willing to devote the time necessary for an annual is indeed fortunate. Each individual, from the sponsor down to the helpers, should be proud of the 1962-1963 edition of the Cardinal Memories. I am sure that the activities portrayed within will bring back memories of school experiences for many.

An annual which encases the happy times of school environment is a valuable manuscript. I would challenge the future students of Dallas Township School to continue the publication of an annual.

One final thought would be my very earnest prayer that each of you will discover, as you live life, that our school has prepared you to take your responsibilities in the operations of the greatest country in the world.
